SERIOUS ACCIDENT.

Frank Page Had Lower Jaw Broken
By Wheel of Wagon.

Frank Page, colored, whose home is near
Tollesboro, met with a painful accident near
the Maysville Brick Company's Yards last after-
noon.

His father was driving a wagon laden with
cross-ties, Frank was on the wagon, and in
coming down a hill he applied the brake.

The brake gave way and the young man lost
his balance and fell, the hind wheel of the
wagon striking his face, breaking the lower
jaw and crushing several teeth in the upper
one.

Dr. J. D. Davis was summoned and promptly
rendered all possible aid.

While Page's injuries are extremely painful
they are not considered dangerous.
He will be removed to his home today.

BOARD OF TRADE.

TWO MEN HURT.

A Pair of Accidents on the C. and O.
Early This Morning.

Early this morning an extra freight on the
C. and O. was coming into the Yard when Fire-
man Terry Wesley, who was sweeping out the
cab, was struck by the switch stand near
Pogue's Distillery, fracturing his skull.

He was sent at once to St. Elizabeth's Hos-
pital, Covington.

Mr. Wesley is married, and his home is at
Russell.

A short while afterward Lewis F. Howard,
Yard Brakeman, was coupling cars near the
West End Station, when he was caught between
a car and the engine and his right arm terribly
crushed below the elbow.

He was taken to Dr. J. A. Reed's office,
where the arm was amputated just above the
elbow.

Mr. Howard is single, and lives at Garrison.

SMALLPOX SITUATION!

But a Single New Case in Mays-
ville Since Monday.

Dr. McCormack Will Raise Quar-
antine—Reasons Therefor.

THE LEDGER has no object in concealing
the truth, nor could it accomplish the slightest
good for anyone in doing so.

It has pledged itself to report every new
case of smallpox in Maysville, and its loca-
tion, and it will do so, the writer making a
personal investigation if necessary.

But a single new case has developed since
Monday, and not a death since that of Mrs.
Gillam near the city limits on the Fleming
pike, which occurred Monday.

The only new case reported is that of Mr.
Andrew Hunter, Forest avenue near Lexington
street, and it is a very mild one.

The most important "development" of the
past twenty-four hours, however, is the fol-
lowing letter from Dr. J. N. McCormack, Sec-
retary of the State Board of Health, written
to Dr. H. K. Adamson, the State Board's
Referee for Mason county—

BOWLING GREEN, KY., March 23, 1903.

Dr. H. K. Adamson, Maysville, Ky.—Dear Doc-
tor: Your telegram received, but I thought it
better to answer by mail. I have provided a
quarantine at Flemingsburg only for ten days,
in order to give an opportunity for them to get
their people vaccinated. At the end of that time it
will be raised, as it is only a temporary expedi-
ency against smallpox.

I have heard a good many alarming reports from
Maysville, and will thank you to advise me and
keep me advised of the exact situation. I do not
think it necessary to make a personal investiga-
tion, as I am willing to indorse anything that you
do. Please write me fully. Sincerely,
J. N. MCCORMACK.

THE LEDGER enters no harsh judgment
against the good people of Fleming; but it
does believe that, if they had known the real
facts, and had been guided by them instead of
by the perhaps wilfully exaggerated reports
that were flying through the air, they would
never have issued the order for quarantine.

SOME VACCINE POINTS.

The campaign liar has been out-Heroded by
the smallpox liar.

There's nothing new but what isn't true
about the smallpox.

Strange that some people prefer to believe
every idle report rather than investigate and
ascertain the truth.

Dr. McCormack's warning to Fleming county
to "get her people vaccinated" applies equally
well to every city and county in the state.

If people who are so fond of manufacturing
smallpox sensations would just reflect that they
will be called on to pay a part of the expense,
perhaps they would be more economical in
their use of words.

It was "reported" last afternoon by "they
say" and company that a tenant on the farm
of Mr. Thomas L. Best had smallpox. A
telephone message from Mrs. Best to THE
LEDGER says "there isn't a word of truth in
it."

THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—

"A newspaper whose columns over-
flow with the advertisements of busi-
ness men has more influence in at-
tracting attention to and building up a
city or town than any other agency
that could be employed. People go where
there is business. Capital and labor
will locate where there is enterprising
community. No power on earth is so
strong to build up a town as news-
papers well patronized, and this power
should be appreciated."

Spring Display of LACES

The showing is of interest to every woman for each gown and waist a woman buys presents possibilities, if not demands, for lace
decoration. Here are charming assortments in Cluny, Antique, Paraguay, Crochet, Tenerife, Venise and Repousse effects. Separable pat-
terns, motif effects in all-overs, and laces of all kinds are cut up for the different figures in the design and are effectively utilized down to
the smallest scrap. They are applied here and there, everywhere on the costume. Straight band insertions 3 to 10 inches wide are very
much in favor, as are batiste effects in combination with laces of all kinds, also novelty laces in Point de Gene and Batiste. Handmade
laces of all kinds are more popular this season than ever.

Cluny laces in edgings, insertions and bandings, 8 to 13 inches wide, 15c to \$1 yard.

Antique laces in edgings and insertions, 3 to 8 1/2 inches wide, 15c to \$1.25 yard.

Yak laces in edgings, insertions and bandings, 4 1/2 to 9 inches wide, 25c to \$1.50 yard.

Novelty laces in combination with batiste and embroidery effects, 1 to 8 inches wide, 50c to \$1 yard.

Venise, Crochet, Paraguay, Filet laces separate or in combination with batiste broderie anglaise effects in edges, insertions, bands,
3 to 7 inches wide, 25c to \$1 yard.

Some of the above laces come in match sets—edges, bands, all-overs and insertions.

All-overs in Cluny, Paraguay, Venise, Crochet, Batiste and Oriental. Repousse and other net grounds in cream, white, ecru and
champagne shades. \$1 to \$3.50 yard.

A two-headed calf was born on the farm
of W. T. Payne of Stepstone, Bath county.
The animal has two complete heads, one neck
and two ears.

BRITISH VS. AMERICAN BUGLES.

The piercing brazen sound of the British
military bugle as compared with the soft
smoothness of the American trumpet has often
been remarked by visitors to Great Britain.
The British Bugles will be used by the four
buglers who play at the head of the Kilties
Band when they march up town from their pri-
vate car, "Heather," at noon on Wednesday,
April 15th, arrayed in their unique regimentals.
These buglers alternate with the bagpipers in
the Band's street march, but the musicians do
not carry their hand instruments, these being
reserved, of course, for their concerts. The
Band will be at Washington Opera-house April
15th.

Most any state could pay off its bonds and free itself of debt if the people of the whole United States furnished the money, as has just been done in Kentucky's case.

It was fortunate for Kentucky that there was a Republican Administration at Washington, else Uncle Sam wouldn't have had enough money to pay the state debt of Kentucky.

A JURY at Cleveland, O., has declared that a murder committed by a woman is no crime; and the way the Judge walked into that Jury was equal to an epidemic of Fleming county smallpox.

NEXT week The Democrat will endeavor in some way to relieve its news columns now congested with advertisements.—Cynthiana Democrat.

By-the-way, have you noticed that Cascarets "work while you sleep?"

THE "Socialist" party of Kentucky met in Covington Sunday—on Sunday, mind you!—and nominated part of a state ticket. The only reason they didn't nominate a complete ticket was, there are more offices to be filled than there are members of the party.

A FITTING TRIBUTE.

A Citizen of Maysville Pays a Well-Earned Tribute.

The following public statement of a respected citizen adds one more emphatic indorsement of merit to the scores that have appeared before:

Mrs. Philip Fist of 129 East Fifth street says:

"Our son used Doan's Kidney Pills, sold at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, with great benefit. He was troubled with a disturbed condition of his kidneys for a long time, evidenced by backache, brick-dust sediment in the secretions and a tendency to inflammation of the bladder. The use of two boxes of Doan's Kidney Pills proved them to act up to their presentations made for them."

OVER at Oxford, O., they call it German measles; but if it was in Maysville it would be smallpox.

EVEN Hawaii has appropriated money for an exhibit at the Louisiana Purchase Exposition. And there stands the niggardly, narrow-minded Legislature of Kentucky!

WHEN the present Democratic Administration at Frankfort pays off the state debt, it will be fun alive to hear the boasts about superior Democratic financing; but it should not be forgotten that every dollar of the money was furnished by the Republican Administration at Washington.

CHARLES E. SAPP, former United States Collector of Internal Revenue; LEONARD PARSONS, who was a subordinate in the office, and JOSEPH POTONING, an outsider who is prominent in Republican politics, pleaded guilty in the Federal Court at Louisville to charges of violating the Civil Service Laws in levying assessments against employees of the revenue service for political purposes. SAPP and POTONING were fined \$500 each and PARSONS was fined \$200.

SUCCESSFUL LOBBYING!

Cynthiana Log Cabin.

Captain Calhoun lobbied a bill through the Legislature to permit him to receive the enormous fee of over \$71,000 for collecting Kentucky's war claim. The law previously provided that not over \$3,000 should be paid for such fees, but the Captain seems to have stood in with the powers and many legislators voted for the new bill to allow 10 per cent. commission without even knowing they were assisting in a big job.

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chilling process that has made the Oliver Plows so famous. Every genuine Oliver Plow Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last

almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow; Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

Correspondence

FOXPORT.

Marvin Farin is very poorly.  
Mrs. Julie Million is improving.  
It seems as though spring was now here.  
Mr. A. C. Zimmerman of Hillsboro was here Thursday.  
Mr. Omar Jackson of Flemingsburg is visit-  
ing friends at this place.  
Abbie and Mason White left for Faywood,  
Woodford county, last Monday week.  
Joe James has returned from China, where  
he has served under Uncle Sam for 3 years.  
Mr. James Porter of Plummer's Landing  
was visiting friends here one day this week.  
Mr. Doss Plummer and Miss Minnie Sanders  
of Poplar Plains visited Mrs. Lucy Doyle and  
family last Thursday.  
Mr. James Doyle and Mr. Squire Lamar are  
ill with pneumonia. They were somewhat  
better at the last report.  
Two families by the name of Coy passed  
through here en route to their new home at  
Tharpe. They were from Bracken county.  
Mr. William H. Doyle died March 11th at  
his home at this place, after a week's illness  
from pneumonia fever. Mr. Doyle was one of  
the best citizens of this community. He was  
in the 41st year of his age and is survived by  
his wife and three children. The funeral ser-  
vices were conducted from Valley Church by  
the Rev. C. E. Bartlett, and the interment was  
in Mud Lick Cemetery.

TOLLESBORO.

Henry Boyd has taken a position in Ports-  
mouth, O.  
R. G. Applegate and wife spent Sunday last  
with J. F. May and family on Poplar Flat.  
J. L. Teager, one of our village barbers,  
contemplates moving to Portsmouth in the near  
future.  
C. E. Teager, who has been spending the  
winter in this vicinity, is doing photographic  
work in Ohio and Indiana.  
S. L. Lykins, candidate for Assessor, was  
looking after his political fences at the county  
seat Friday and Saturday last.  
Dudley Middleton went to Cincinnati the first  
of last week and secured employment as driver  
of one of Uncle Sam's mail wagons.  
Miss Fannie Kelley, an interesting young  
lady from Mt. Carmel, attended divine service  
at the M. E. Church, South, here on Sunday  
evening last.  
Hon. R. C. Hanna and Harold Hamrick were  
in Vanceburg the first of last week, the former  
viewing the political horizon as it pertains to  
county Representative.  
W. Visscher Burdick of the C. and O. Rail-  
way Postoffice, returned to his work on Mon-  
day, after a week's lay off on account of an in-  
jury to one of his hands recently.  
Rev. L. P. Compton of Asheville, N. C., a  
favorite with Tollesboro audiences, preached at  
the M. E. Church here on the third Sunday,  
morning and evening, to a large and interested  
congregation.  
Miss Lettie Gidding is visiting relatives in  
Illinois. She was accompanied as far as Cin-  
cinnati by her sister, Miss Lyda, who has  
secured a position in the "Glenn Home" in  
West Fourth street.  
Will Bryant and Robert Gidding returned  
from Portsmouth, O., where they had gone to  
work during the summer, on Wednesday last.  
The boys say Tollesboro is good enough for  
them and work is not so hard.  
Mr. W. H. Thomas and wife, Henry Luman,  
wife and daughter, Miss Nannie, and William  
Wallingford, wife and daughter, Mrs. Grace  
Montague, were received in full membership in  
the M. E. Church, South, Sunday last by the  
Pastor, Rev. Kidwell.  
The L. and M. Normal, which was slightly  
called the "kindergarten" by a rival school last  
spring, could very appropriately be changed to  
We've kinder-got-em this spring. It is un-  
doubtedly the banner school of the county.  
The second term began on Monday of last week  
under the supervision of Prof. George Turnip-  
seed, ably assisted by Profs. W. P. King and E.

T. Bowman, with between 70 and 80 bright,  
enthusiastic pupils, many of whom are from ad-  
joining counties, while others come from Ohio.  
The faculty is untiring in its efforts to advance  
the pupils and, which they are doing, make the  
school a success. Tollesboro is an ideal school  
town. Its inhabitants are intelligent, hospi-  
table and moral; there are three Churches and  
not a saloon within its borders. We are justly  
proud of our school and bespeak for it a largely  
increased attendance next year.

at Louisville.

MRS. HELENA BLAU,  
Young Milwaukee Society Woman.

TEN thousand cured  
women have written  
to tell how Wine  
of Cardui bestows the  
blessing of health on every  
woman who takes it, rich  
and poor alike. Mrs.  
Helena Blau, No. 123 Sev-  
enth Street, Milwaukee,  
Wis., is one of the young  
women whom Wine of Car-  
dui has rescued from a life  
of suffering. She writes:  
"Wine of Cardui is certainly 'worn  
out' women's best friend and I am pleased  
to give my experience with it. A few  
months ago I caught a severe cold, hav-  
ing been out in inclement weather, which  
settled all over me, particularly in the  
abdomen. I was in almost constant pain.  
I consulted a physician and took his  
medicine for a month and without any  
relief. I then decided I would try your  
medicine and it was a lucky day for me  
when I did so. I noticed a change in a  
few days and felt encouraged to continue  
taking Wine of Cardui, and my patience  
was rewarded, for in two weeks my pains  
had left me and I felt like a new woman."

Mrs. Helena Blau.

The woman who has suf-  
fered from female weakness  
should do anything within  
reason to secure health.  
Wine of Cardui is the medi-  
cine that appeals to reason-  
able women—women who  
hold operations and cutting  
in horror—women who know  
that Nature is the best phy-  
sician. Wine of Cardui  
gives women back their  
health by giving Nature a  
chance to build up the wasted and  
diseased tissue. Wine of Cardui regulates  
the menstrual flow and Nature, when  
relieved of the drains or of the poisons  
in the system, makes the functional  
organs strong and healthy again.  
Any woman who is silently suffering  
untold pains because she is too sensitive  
to undergo a physician's examination  
and treatment can find no excuse for  
not securing relief when Wine of Car-  
dui is offered to her. There is no pub-  
licity to deter her. She can take Wine  
of Cardui in the privacy of her home,  
with as much assurance of a final cure  
as though a dozen doctors recommended  
it. Many physicians do recommend  
Wine of Cardui to their patients.  
Why not get a \$1.00 bottle of Wine  
of Cardui from your druggist today?

WINE of CARDUI A million suffering women  
have found relief in  
Wine of Cardui.

Letters from  
Women

Cured by the use of Kodol are received daily  
Their troubles nearly all begin with indiges-  
tion or other stomach disorder.  
If the food you eat fails to give strength  
to your body, it is because the juices se-  
creted by the stomach and digestive organs  
are inadequate to transform the nutrient prop-  
erties of the food into blood. That is  
indigestion. The system is deprived of the  
amount of nourishment required to keep up  
the strength, and the result is that one of  
more of the delicate organs gradually grows  
weak, and then weaker, until finally it is  
diseased. Here a great mistake is made.  
That of treating the diseased organ. The  
best doctors in the land make this very  
mistake. Why should they? It is so easy  
to see that the trouble is not there.

Kodol  
Cures

This famous remedy puts the stomach and  
digestive organs in a healthy condition so  
that rich, red blood is sent coursing through  
the veins and arteries of every muscle, tissue  
and fiber throughout every organ of the en-  
tire body, and by Nature's law of health, full  
strength and vigor is soon restored to each.  
Kodol cures indigestion, dyspepsia and all  
stomach disorders.  
I have taken Kodol for nearly two months  
after each meal and it is the only remedy  
that gave relief from the terrible pains I  
endured. After a time I would take it but  
once a day, and now, while I keep a bottle  
handy, I seldom need it, as it has cured me.

ECONOMY

IS WHAT THE TIMES DEMAND.

Money saved is the easiest money made. You may wear cheap clothing and be respectable, but  
you can't eat impure and unwholesome food and be healthy for any length of time. So when it  
comes to buying supplies for your table it is economy to buy the best. My annual CUT PRICE sale
